**Re: Notice of Incomplete Application, NPDES Permit No. TN0081094
Clarksville Marina and Fairground Project
Clarksville, Montgomery County, Tennessee**

Dear Mayor Piper:

The Division of Water Pollution Control (the division) has received your application for the above referenced project at the environmental field office as of December 29, 2009 and of supplemental application materials in our office on March 4, 2010 and April 14, 2010. We have reviewed the application for completeness in accordance with TDEC rule 1200-4-5-.05 (2) and find the application to be incomplete. The processing of this application has been suspended until the following information has been submitted:

➤ EPA Form 2F:

1. Item IV – The amount of off-site acreage draining through the site outfalls is very high (i.e., 758 acres draining through Outfall 1). Any offsite drainage that can be diverted away from disturbed soil and the outfalls should be. Please confirm that the acreages listed on this item are draining through the construction project outfalls.
2. Item VII. Part A – You must provide an explanation or a reference source that was consulted to determine the estimated values provided for oil and grease, total phosphorus, and pH.
3. Item X – The certification must be signed by the Official Contact per the requirements of TDEC Rule 1200-4-5-.05. Signatory authority may not be delegated for a permit application.

Please submit the above requested information in duplicate to the Nashville Environmental Field Office by June 10, 2010. You should be aware that in accordance with TDEC Rule 1200-4-5-.05 (2), your receipt of this notice does not preclude the division from later requesting additional material that subsequent to the notice of completeness is determined to be necessary for permit processing.

If you have questions, please contact the division at your local Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Ms. Erin O'Brien at (615) 253-2245 or by E-mail at Erin.O'Brien@tn.gov.

Sincerely,

Vojin Janjic
Manager, Permit Section
Division of Water Pollution Control
